

Electronic File Transfer Agreement

The Electronic Files on this media is provided for information and use of the Recipient and shall not be shared with third parties without the express written permission by Metro Transit.

Metro Transit does not warrant or guarantee the accuracy or completeness of the data of these Electronic Files or that they represent the latest version of the Drawings. In the case the data in these electronic files differs from hardcopy Record Drawings, the hardcopy version prevails. Under all circumstances, all data must be field verified.

Metro Transit provides these Electronic Files in their native format with the best intent of providing any supporting files that are necessary to replicate the data, format and display as near as possible on the recipient's computer; however, Metro Transit makes no guarantee that such replication will be comprehensive. If supporting files are missing, the Recipient must contact Metro Transit for transfer of those files by suitable electronic means or for updated media. It is the obligation of the Recipient to either have the appropriate software to access these files or contact Metro Transit for an alternate format, with the understanding that some data are no longer accessible.

Any engineer or architect's professional stamps on Engineering Drawings shall be removed from the drawings should the drawings be modified or reused for any purposes other than for information. When saving the drawings to other files, all professional stamps shall be deleted.
